The whole band made a perfect selection for one to serve as their leader. I know of no other boy who fits or could fit these qualifications.

Geometry Class this year just would never have been the same without you. Personally I don't know how I would have passed without your help.

Through our friendship has been a long one, I believe it has meant more to me this year than ever before.

I know success and happiness will be yours from this day forward because nothing less could come to such a wonderful all-round boy as you.

May God bless you and use you in the way He sees fit. I know this will shall be done in your life.

Bubba, I hope you will always regard me as one of your friends.

Your friend
always,
Gayle

Sorry it took me so long to get this written!!!

DEDICATEE

We, the staff, dedicate this, the Flashlight of '55, to Miss Ruby Compere, who is deserving of the honor we bestow upon her. A loyal Eagle for thirty years, and sponsor of the Future Homemakers of America Club, she is a friend to everyone and is willing to help those in need of aid. We hope that she will always remember this as "her" book.

Miss Compere instructs one of her students about the proper way to seam up a skirt.

The 1954 State Champion Track Team

The doorways of Abilene High School have opened to many champions in its history, and the precedent has not been changed in its last year as "Dear Old Abilene High." Recognition was brought to AHS last spring by a champion track team, a first place in essay writing, and a second place in one act play. This fall the football team added another state championship and made 1954 even more eventful. Congratulations to all Abilene High Champions!

Mr. Morgan Jones, Jr.—Vice President

The Board of Trustees is a group of citizens serving their community by assuming the important responsibility of directing and managing the Abilene Public Schools.

We of Abilene High School wish to express our sincere appreciation for the time and effort they have spent in making our school system one of the best in the land.

Mr. A. E. WELLS, Superintendent

This is the last year for the present high school building to be used as a high school; so, as we leave this building, the classrooms, the corridors, and the campus, will cause us to recall many treasured memories of good times as well as some heartaches. When we enter the new school plant, may we all realize the building is only a minor part of any school. The students and faculty are the part that really count. May the true Eagle spirit find fertile soil in our hearts and in our minds, and spring forth in all of our activities of work and play. May it remind us of the accomplishments of the past, and in turn give us a greater determination and effort to press on to new and greater goals in the future by helping us as individuals, as well as a school, to be real "Champions of all the West."

A MESSAGE FROM OUR PRINCIPAL

It is a joy and a privilege to have an opportunity to work with this outstanding group of students and faculty members of Abilene High School.

A flashlight throws a beam to guide you toward your destination. As you travel on your journey of life, you will find that this "Flashlight" will forever be a light of inspiration across your path so that the memory of your many wonderful high school experiences will inspire you to greater achievement. As the years pass by, thumb through your yearbook and let its light of inspiration shine again for you.

Sincerely yours,

SENIORS

The Senior Class, faced with numerous studies and many activities, came to make history as the last graduating class from Old A. H. S. The members, three hundred fifty-two in number, met early in September to elect officers and a nominee for class queen.

The big events for the seniors began when their nominee became the Flashlight Queen, and when they received their rings in October. These events were followed by Senior Radio Day and Senior Follies in March. The last chapter of their history, completed in May, was filled with such events as the picnic, the play, and the farewell assembly. Then came the long awaited May 29 and 30 when the seniors had their Baccalaureate Service and the Commencement Exercise, followed with a reception by the National Honor Society.

The teachers who sponsored the Senior Class this year were Miss Self, chairman, Miss Baggett, Mr. Groseclose, Mr. Kennamer, Miss Lambert, Mr. McCollum, Mr. Moser, Miss Walton, Mrs. Bishop, Miss Caffey, Mr. Crews, Miss Griffin, Mrs. Henagan, Mrs. Hicks, Miss McAdams, Miss Meyer, and Mrs. Turner.

*Buddy,
You don't know

appreciate the
way you have
helped me in
Latin. You really
are a great person
and so much.
I admire you
a lot. I hope
you'll always
have the best of
luck in everything.

*Bobby
this year has been
real good. Let's go
for some more!*

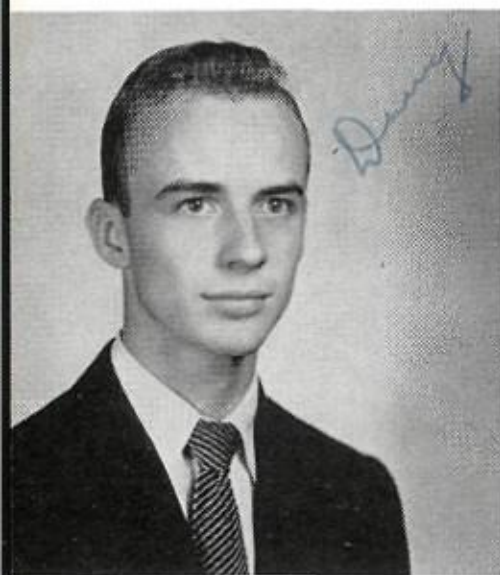

JUNIORS

The Junior Class has been kept quite busy throughout this year with its many activities. The year began with the election of officers and the class queen. The queen was presented in assembly in a very colorful Mardi Gras scene. In a later assembly the class was in charge of the skit for the rally before the Polytech game. The next major event was the Junior assembly program given to raise money for the Junior-Senior Banquet. This banquet completed the activity of the Junior Class.

Helping the Junior Class in its activities through the year were Mr. Lawson, chairman; Mrs. Haney, Miss Deavers, Mr. Dunn, Miss Hardy, Mr. Harwell, Mr. Hiner, Mrs. Morrow, Miss Bailey, Miss Garvin, Mrs. Grubb, Mr. Harlow, Mrs. James, Mr. King, Miss Loving, Mr. Moore, Mr. Owen, Mr. Robbins, and Mr. Watkins.

Dear Bubby - Over this period of many years we've had a lot of good times together. I've looked up to you as a example of one of the finest and clearest Christians there is in the world. Bubby, I've been so many times as if when I have felt low and my life wasn't worth anything. But your influence on life kept me going at these times. This may sound a little out of place to you. I hope I said what I meant in it.

ORCHESTRA

The instrumental music Department, headed by Mr. Robert Fielder, has given many concerts this year.

The orchestra was organized in 1927. This year the orchestra has played concerts in Brownwood as well as local concerts.

Until 1947, the band was divided into two divisions, the girls band, organized in 1938, and the boys band organized in 1927. The band is now divided into a concert band and a marching band. The concert band made a tour this year to Memphis, Tennessee and played many local concerts.

Mr. Russell Greip is the assistant band director and Miss Jean LeFevre is the director of strings.

COACHES

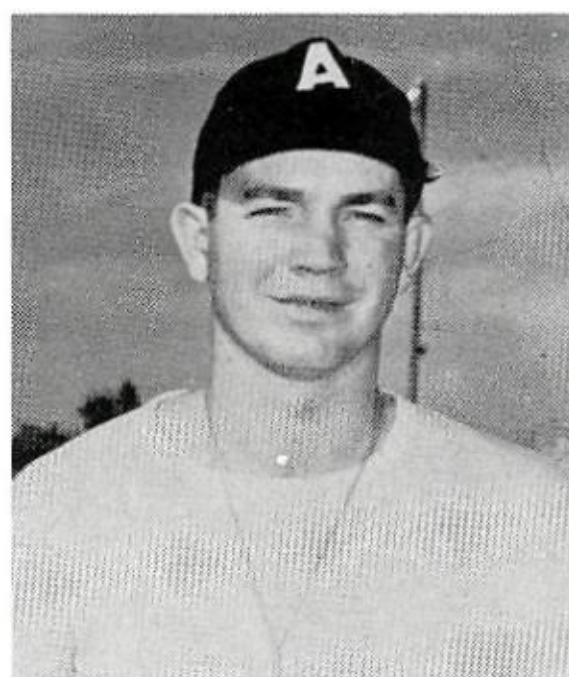

Abilene High School is indeed proud of its coaching staff. Heading the staff is Coach Moser, who ends his second year as head football coach and director of athletics. Other second year men are Coaches Gleaton, Watkins, and Bullington. Veterans of the coaching staff are Coaches Blackburn, Lawson, and Groseclose.

Mr. Moser and his staff have done well in their part in leading the Eagles to athletic prominence, having shaped their teams to win or to make strong bids for the District titles, and to win State Championship in track and football.

Students, teachers, and patrons who have been associated with these coaches notice their strong character, their ability to handle boys, their loyalty to their work, and their belief in square play.

PRE-DISTRICT REVIEW

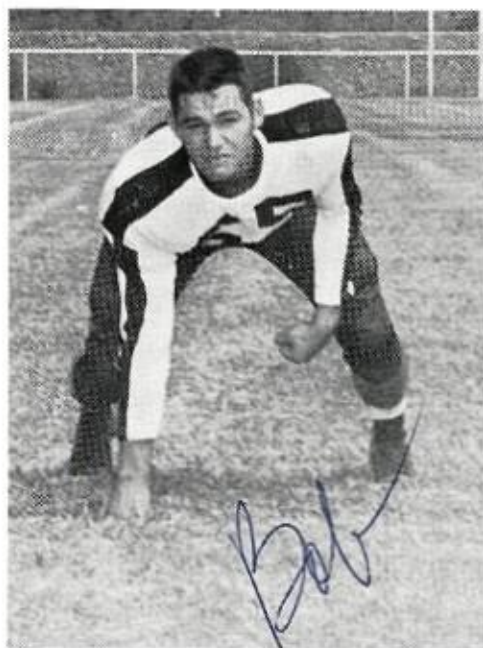

As the season opened, the screaming Warbirds buried the Highland Park Scotties 40-0. The Eagles, looking very sharp on defense and rolling in 6 easy touchdowns, made mincemeat out of a jumpy Highland Park eleven.

In the next week's game, the Eagles slipped past the Sweetwater Mustangs 13-0. The Mustangs lived up to traditional billing at Fair Park Stadium, giving up every inch of ground with a fight, but bowing to Abilene in a great defensive game.

Abilene's winning streak was broken on Friday, October 1. The mighty Breckenridge Bronco's came roaring in and beat the Eagles 35-13 before a crowd of 10,000. The Buckies threw at Abilene an unbeatable offense.

Colwell receives pass and advances toward the goal while Swafford gets his man.

ABILENE 21 — ODESSA 7

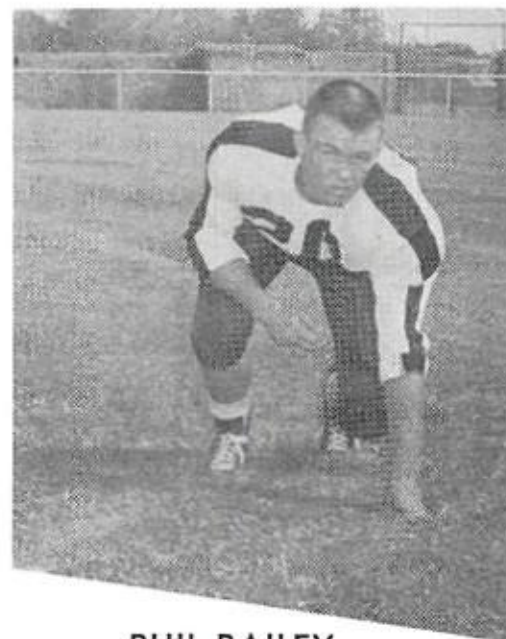

Just as in the first district game played against Borger, the Abilene Eagles played a never-say-die brand of football, turned tables on an aerial minded Odessa team and whipped one of the toughest clubs in 1-AAAA District on passes. The victory was spelled out in two long passes by Hawkins, one 85 yard run by Millerman, and a beautifully precisioned line. Already people were heard saying, "We have a State Championship team."

Millerman and his running mate help pick up a few yards in the Eagles—Odessa game. It was teamwork like this that sent the Eagles to District.

ABILENE 47 — AMARILLO 0

The Eagles invaded Amarillo October 30, 1954 and literally tore them limb from limb. This was the worst defeat ever suffered by the Amarillo Sandies at home.

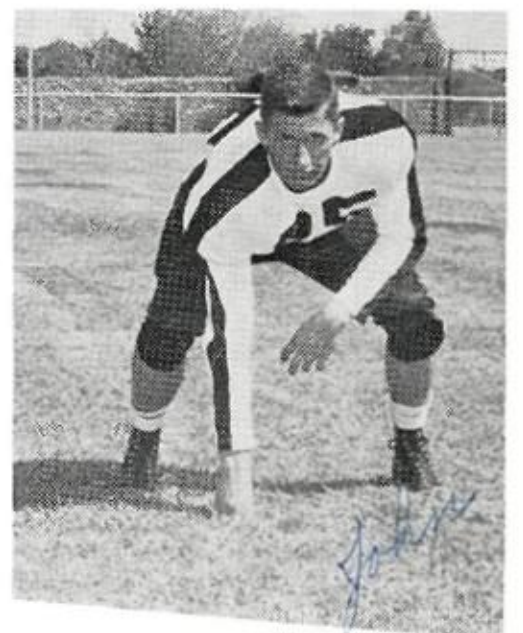

Nine Abilene backs got in on the yardage manufacturing. The Eagles' great offense and defense play really paid off.

Jim Briggs blasted 4 yards for the first touchdown; then Henry Colwell shot 3 yards around left end for another tally. The score was 21-0 at the half because of H. P. Hawkins' long 54 yard toss to Colwell in the second quarter. In the second half Hawkins hit Swafford for 32 long yards, and Phil Bailey crunched through the Amarillo line for two more tallies. Halfback Jim Carpenter raced 9 yards around end for the final marker, making the score 47-0.

The alert Eagles stop a hard fighting Sandie along the 50.

ABILENE 35 — LUBBOCK 7

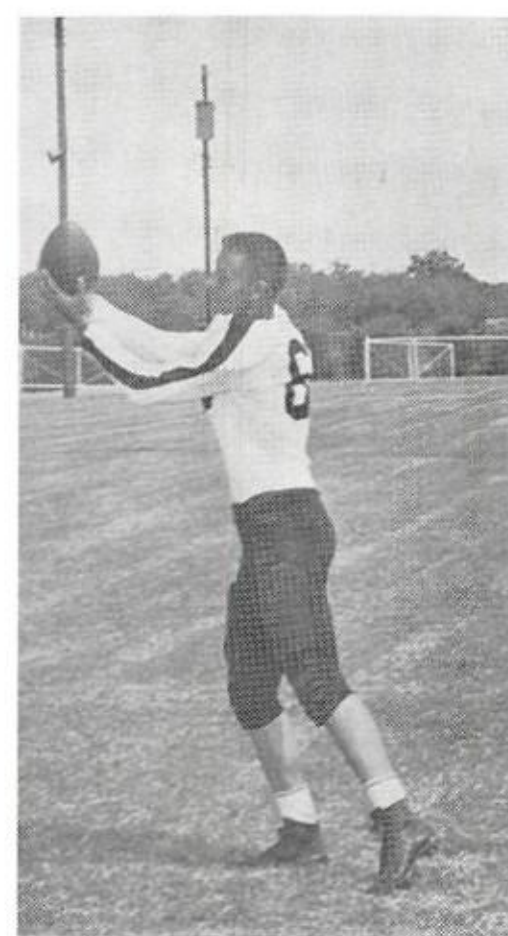

The Eagles, relying heavily on Jim Brigg's power running, and an airtight defense swept past the Lubbock Westerners 35-7. So effective was the Eagle defense that Lubbock made only 3 first downs in the whole game.

Briggs scored twice for Abilene, H. P. Hawkins chalked his first TD up for the season, Jim Millerman tallied once, and Sophomore Glynn Gregory went over for one score.

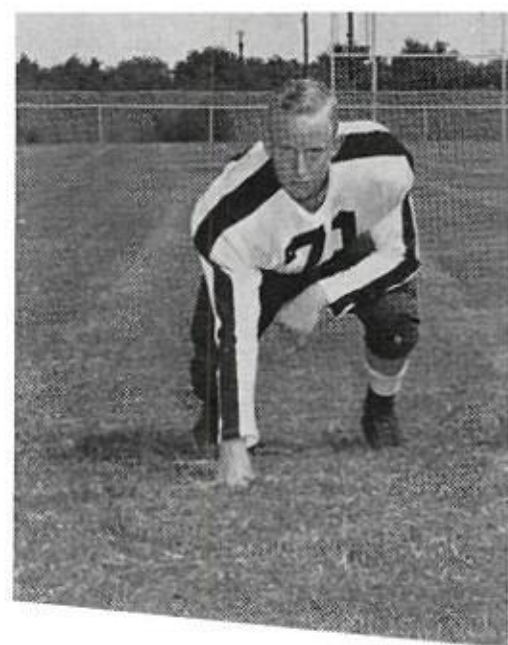

In the first period the Eagles tallied twice. In the second quarter Lubbock chalked up its score, but Abilene also marked one up in this period.

In the third quarter Hawkins couldn't find a receiver and raced 40 yards up the sidelines for a TD. The final score came as Briggs went 27 yards through the line. This sacked up the Eagles fifth straight district win.

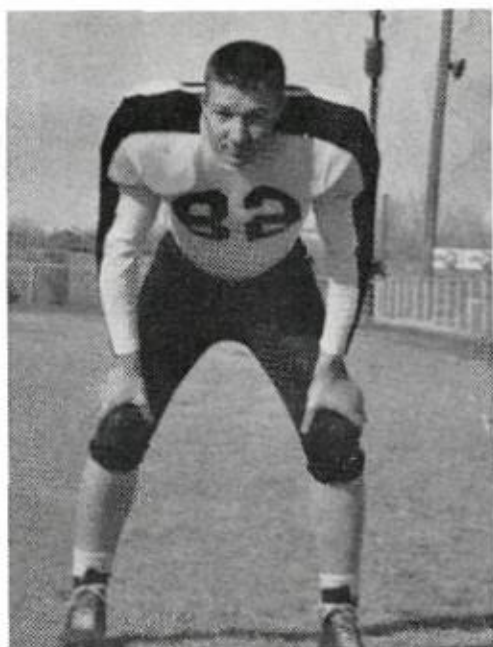

Jim Millerman breaks loose for a gain in yardage in the Abilene—Lubbock game.

ABILENE 28 — MIDLAND 14

The Eagles invaded Midland and dumped the Bulldogs 28-14, as Jim Briggs tore up the purple line for 149 yards and outgained the great Wahoo McDaniels by 20 yards, the roughest game of the season.

Briggs scored the first touchdown only 3 minutes deep in the game, and David Bourland intercepted a pass and ran the 73 yards for another T.D. Abilene made it 21-0 when Jim Millerman plunged around the right end for touchdown number 3.

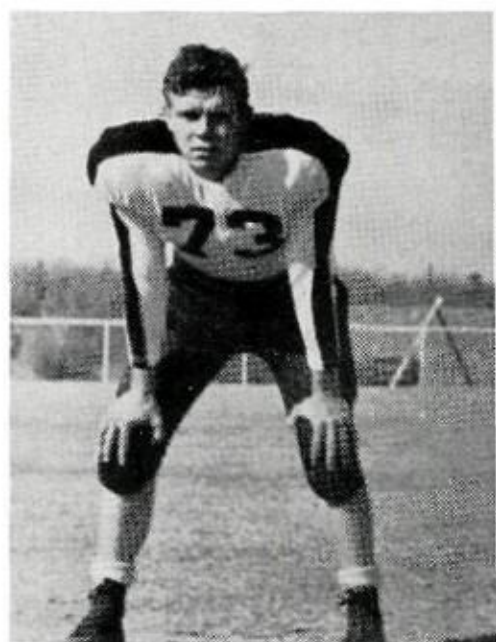

The final Warbird score was made in the last quarter when H. P. Hawkins went over on a keeper from the one yard line. Winning this game gave the Eagles the District Championship.

Here is an example of the power running of fullback Briggs, against Midland. Caudle, Swafford, and Hunt cover up.

ABILENE 27 — SAN ANGELO 0

The Warbirds brought the 1954 district grid campaign to a screaming halt as they waltzed past the San Angelo Bobcats 27-0.

Jim Millerman and Henry Colwell took the crossing honors for A. H. S. while H. P. Hawkins came through with three extra points. The score was 20-0 at the end of the first quarter. The last three quarters were give and take, but the Abilene line and backfield worked together with the tooled precision. Thus the Warbirds ended San Angelo's football season and readied for a tough fight for State Championship.

ABILENE 61 — EL PASO 0 (AUSTIN)

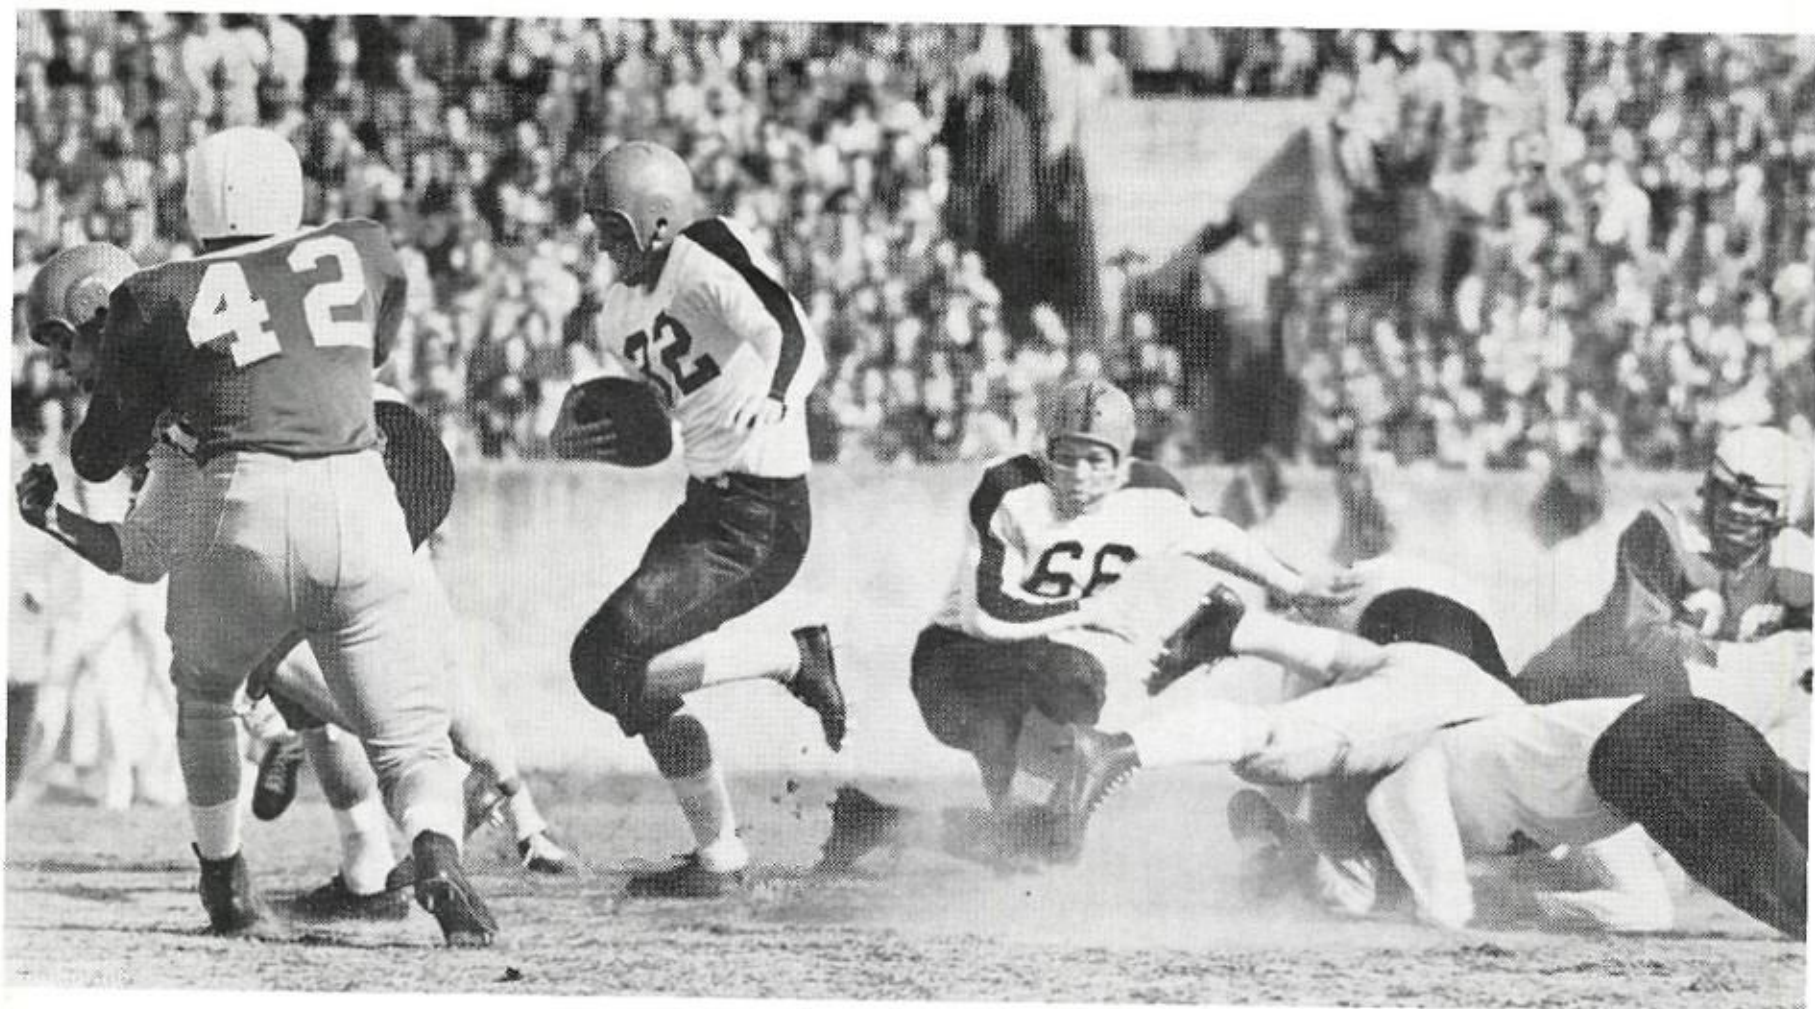

The Eagles roared on down the path to State Championship and completely overpowered Austin of El Paso 61-0 here in the Eagle Stadium for the Bi-District win. Jim Millerman showed his heels to El Paso defenders for three touchdowns and Henry Colwell scored twice and gained 148 yards on only nine carries. Glenn Gregory scored two touchdowns and kicked three extra points. Freddie Green was hit by David Bourland for another tally and fullback Jack Self raced 31 yards for another. Quarterback H. P. Hawkins booted 4 extra points. The Eagles scored almost at will.

ABILENE 46 — FORT WORTH (POLYTECHNIC) 0

The Eagles overwhelmed the Parrots of Polytechnic, Fort Worth, 46-0. For the first time in 23 years, Abilene became a state finalist as a fighting band of Warbirds used sheer force and some very brilliant defensive play to trounce their opponents before 12,000 fans. The Eagles thwarted every move the Parrots tried to make. Poly's heralded spread formation passing attack was completely bottled up. This win set up the Eagles for the Championship game with Houston.

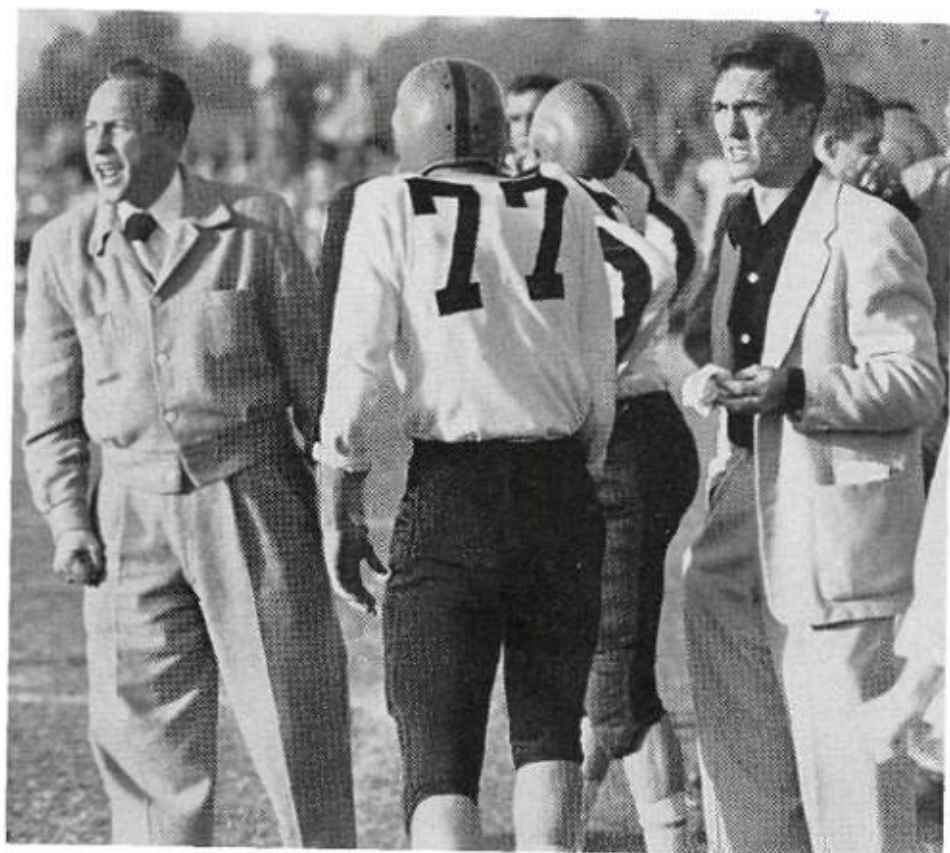

Glynn Gregory breaks through the Poly line and makes another tally.

Millerman, Thomas and other Eagles clear the way for Colwell in the Abilene—Houston Championship game.

ABILENE 14 — HOUSTON (AUSTIN) 7

The gallant Warbirds captured the 1-AAAA State Championship by defeating Stephen F. Austin of Houston 14-7. Abilene's first touchdown came in the first quarter when Millerman made a plunge around right end. Houston's lone touchdown came in the second quarter, and the game was tied at the half. A beautiful pass by H. P. Hawkins, a wonderful fingertip catch by Twyman Ash, and some of the most powerful line and backfield teamwork brought the championship touchdown in the last 56 seconds of the game. Today A. H. S. is the proud owner of a silver football.

The coaches have not relaxed even though the winning touchdown has been made.

The Tri-Captains present the championship trophy to Mr. Webb for A. H. S.

Even though the Eagle Cagers did not win that much wanted place of champs of the South half of the district, they did fairly well this year. Twyman Ash, David Bourland, and Glynn Gregory were a little late getting to practice at the first of the season because of the prolonged football season. The Cagers won 11 out of 25 games for a neat average of 44%. Although this is a good average, it is nothing compared to what appears on the horizon for next year with four of the nine lettermen returning.

The members of the 1954-55 Freshman Class at McMurry College pictured above should feel right at home between the covers of the FLASHLIGHT. They were pictured in your annual last year as AHS seniors.

After graduation day they found a friendly welcome—and lots of things to do—at McMurry College. They found students and teachers with Christian backgrounds and purposes.

They discovered numerous club and social activities at McMurry, and a well-rounded program of varsity athletics, intramural sports and physical education.

Best yet, they found they could get a good college education right here in Abilene, and enjoy all the fun of college and the comforts of home at the same time.

ASSEMBLY

A scene from "Abe Lincoln in Illinois", the tournament play. AHS players won second in the State Interscholastic League.

The new Student Council officers were presented in assembly.

Skits for presenting the candidates for offices for the Student Council were clever and entertaining.

HEADLINES

The induction of new members into the National Honor Society is one of the highlights of spring activities.

Laura McCormick, Spirit of Athletics, presided over the "A" Association program.

The Fashion Club's style show and the Student Council's Twirp assembly will be remembered as special events.

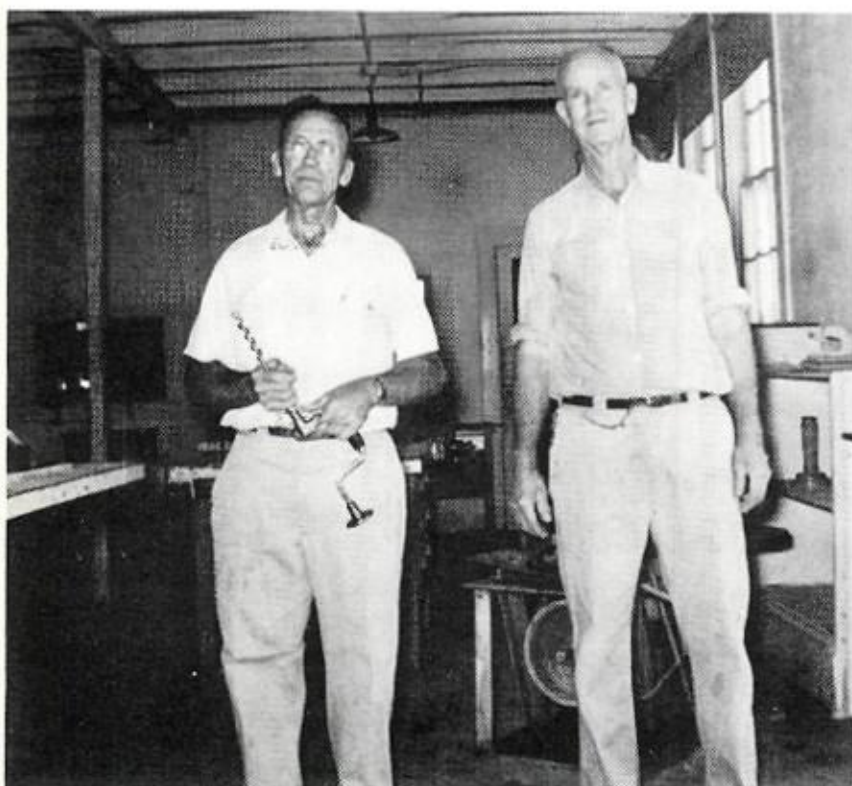

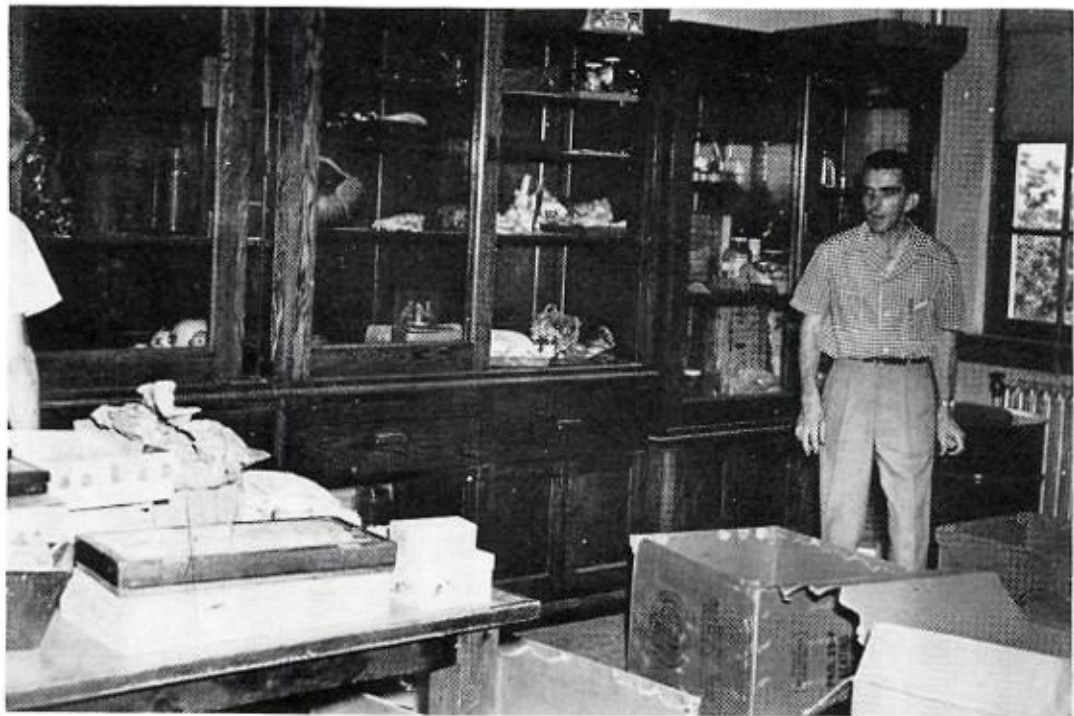

MAY DAYS

"A" Awards and Merit Awards came with MAGIC this year. Carol Atchison presided.

Mr. Harwell could use a little MAGIC to move biology equipment.

We left Old AHS in the care of Mr. Brannon and Mr. Warren, and Mr. Brazzil moved to help us in the new AHS.

BUSY DAYS

A new publication, The Aquilla, was issued by the proud staff members the last week of school. Miss Meyer was the advisor.

The '55 Flashlight staff presented favorites, dedicatee, and award winners in assembly.

An annual signing party was sponsored by the Student Council.

Winner of the Thornton Award
TWYMAN ASH

The display of trophies won this year by the AHS Track team is evidence of their triumphs in great events such as the Border Olympics, Bluebonnet Relays, Cowtown Relays, and other well-known contests. During the Regional Meet misfortune darkened the bright outlook for a possible State Championship when only five boys became eligible for the final contests. Bob Mosshart won first in the 880 and James Leonard tied for second in the pole vault in the state.

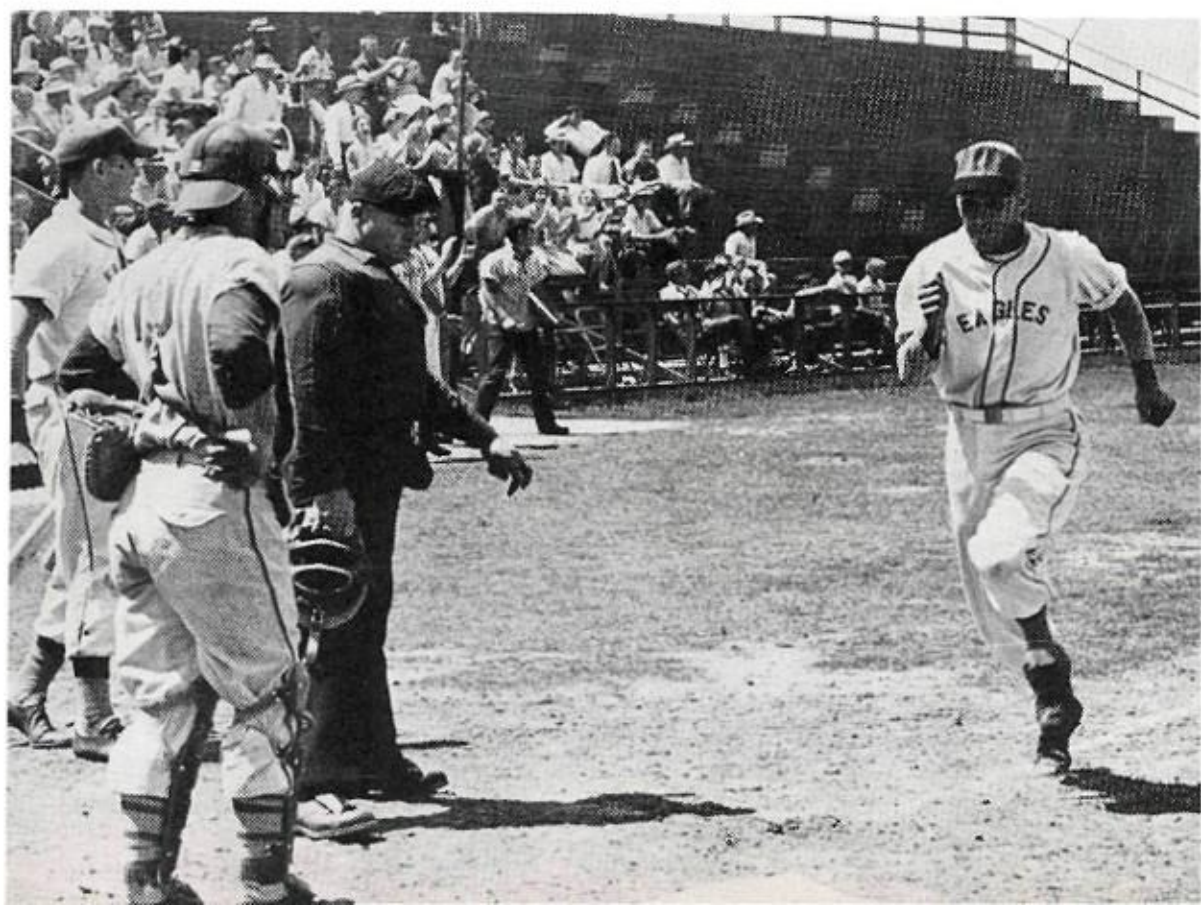

TRACK

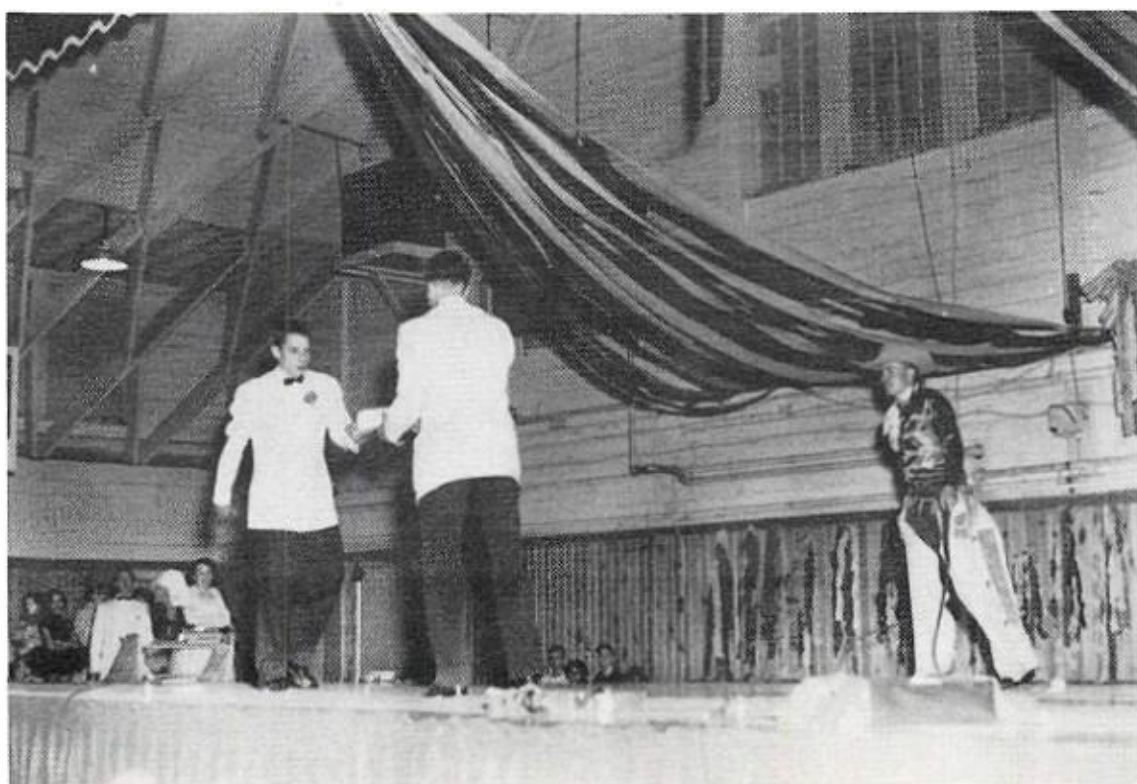

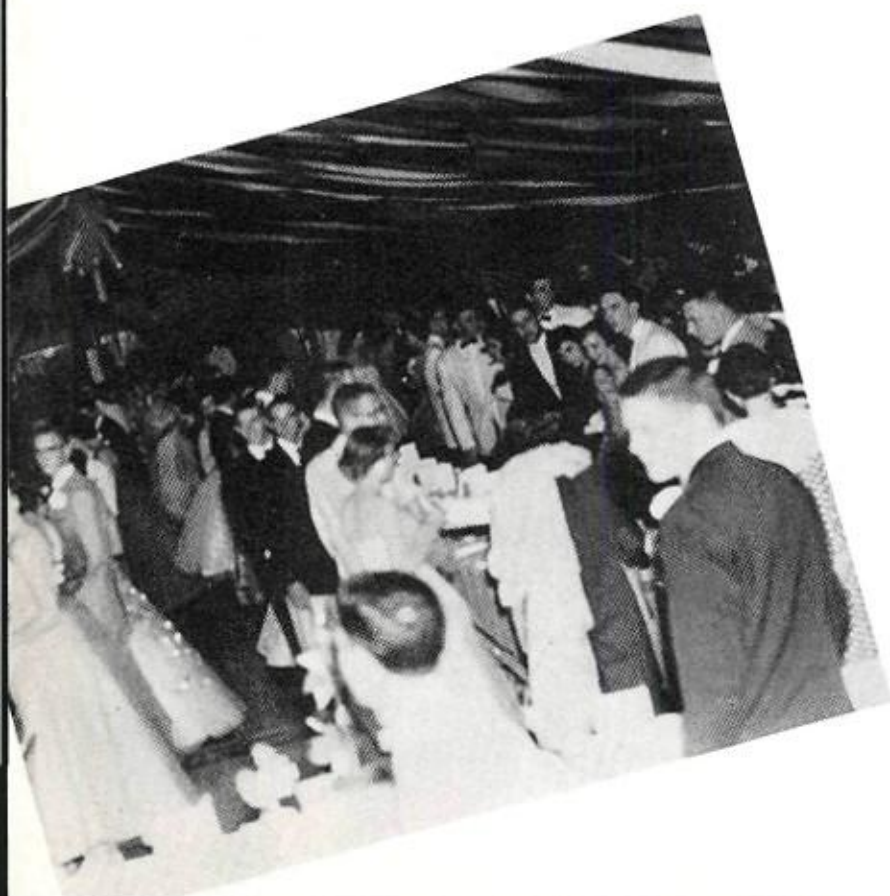

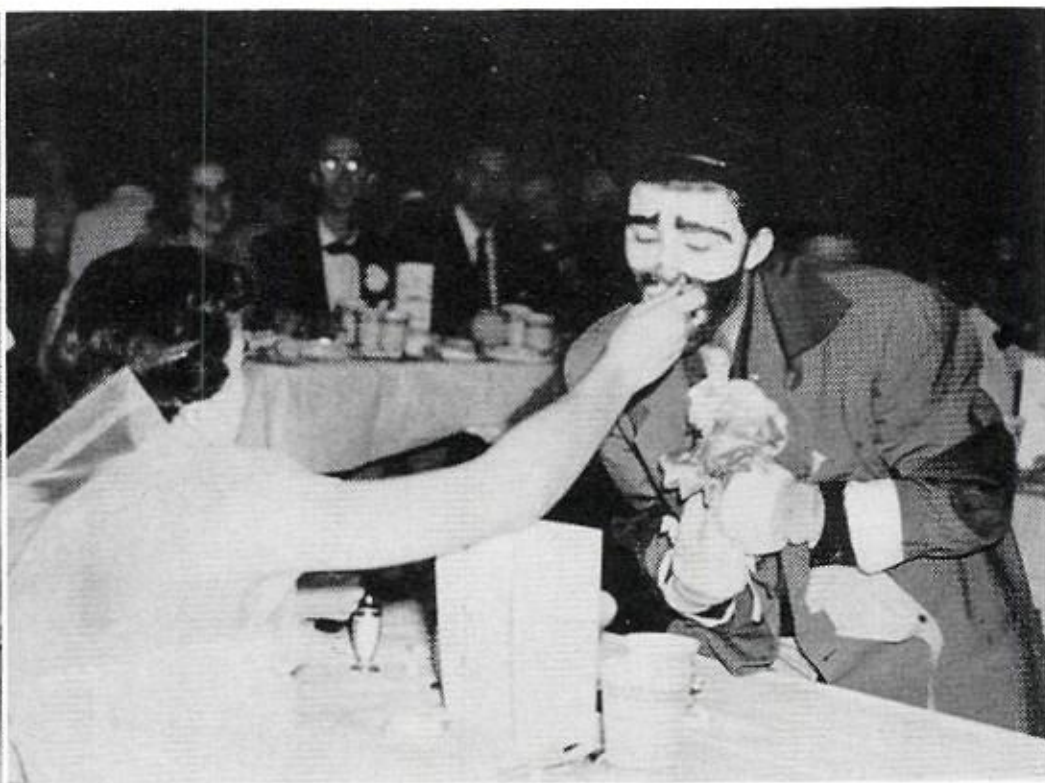

BASEBALL

Another great group of Eagles brought honors to AHS this spring when the baseball team defeated Midland for District title and won second in the State playoffs. Defeating Adamson of Dallas and Waco, the Eagles advanced to finals where they were defeated by Paris in a close 2 to 1 game. Besides winning second in the State, the Eagles placed eight players on the All-District team, three on the All-State and six on Second All-State teams.

Bubby,
I'd never known you before
this year and I'm glad to be acquainted
with you. You're one of the most ver-
satile guys I've ever known. I think
it's admirable that out of the many
things you could do, you've chosen to
be a doctor. I know you'll do well.

Best wishes,
Elton Higgo

Bubby —
Congrats for about a million achievements! I'm sure
you'll make one of the best — maybe THE best band ever
captain (get the spelling!) ever, and as far as I'm con-
cerned, you've got 100% backing. Here's to next year's
high-grade man!

P.S. Pardon the
mess —

Gennie (Skagge, that is)

To a real
swell trumpeter
we always as you
are now, and you'll
make it all right.
David "unhappy" Day

Bubby.

This year surely has
been wonderful. See you
next year in the new
building - Lots of luck to
a swell guy.

Elizabeth
(H.N.)

Bubby,

This year has really
been fun. I only hope
next year will be as
good to you as this
one has.

I thought the Memphis
trip was great. I'll
never forget the night
we slipped you into
that dance.

I know you will
make the band a good
captain next year. May
you have the best of
luck in all you do.

Nixie Gregory

Bubby,

I want to tell you that
I have really enjoyed being
in classes with you this
year. (Especially Latin) We have
really had fun this year.
I hope next year will be
as much fun. I'm looking
forward to it. Congratulations
on getting Captain. I know
you will make a good one.
The best of everything life
has to offer you.

Good luck,
Sue Bowen

your friend
John Horn

Bubby,

You are a very
wonderful guy with
lots of personality.
Congratulations on
all your achievements!
Best of everything.

Always
Polly Greene

Bubby,

You have been what I
think is a good, hard backed
person who backs up what he
says. Next year we will
surely have a fine first chair
cornet (namely you) who will be
much better than he was this year.
I sincerely look forward to being
associated with you next year.

Very sincerely,
John Mayer

Bubby,

It has been great
working together this
year. For myself I admire
you greatly for your
many accomplishments. Be
a good officer for we
have had the best band
ever this year. Let's keep
it that way, huh! So good
luck and best wishes in
your every endeavor, you are
a real swell guy.

Paul Kelly

Bill McAlister

Bubby!
It's been fun working
with you - in band
this year, and in looking
forward to seeing you
again next year.

Bubby -

You turned out
to be a pretty swell
kid! I'm really
proud of you, & know
you will be a
marvelous Band
Captain next year.
I'm wishing you all
the luck and happiness
in the world. You are
a swell kid.

Betty Jordan

Bubby,

You have a
great deal of
talent. I pray
that in the
mean while the
five talents you
were given
through Jesus
Christ our Lord

I remain,

Your friend

Cy Peterson

Bubby -
 just think we're
 almost seniors -
 just can't imagine
 being over all A.S.D.
 we really gonna
 rock. Hey - you
 know - when did
 you get all your
 answers? You really
 a big help to me
 in my answers class -
 except. Maybe the next
 year you'll be in
 senior class class
 with me - then we
 know (I mean)

IT'S A GRAND OLE NAME

It's a grand ole name:

It's a name full of fame!

It's a name of our Eagles so bold;

It's the story old 'bout the
Black and Gold.

We're ahead at the close of each game!

When the whistle blows,

Every Eagle will know

That the game has been played
and played well.

So on you Warbirds, on to State.

Three cheers for our Eagles great.

Bubby,
 This year has
 really been swell
 and just think, next
 year we'll be seniors.
 Won't that be exciting.
 You'll be Captain of
 the band too. Lots
 of luck in that and
 everything!

Bubby,
 I have enjoyed
 playing with you this
 year and I hope that I'll always
 be as lucky next year.
 Lots of luck to a
 swell guy.
 Don Smith
